EARLY LEARNING CENTER

Desiree Margo presented an updated the board on the early learning center. She presented a PowerPoint explaining the benefits of a full service center for children and families, as well as the partnerships she is cultivating to be able to develop the center into a “hub” of numerous services. (See PowerPoint)

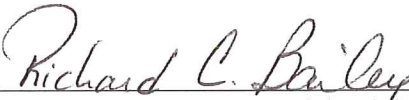

A name was proposed, “Redmond Early Learning Center at Hugh Hartman” which will be an action item at the next meeting, January 27, 2016.

Director Losoya suggested not only getting in front of PTO’s with this presentation, but also all district elementary staff member. It would be great to have Desiree make presentations in front of all the elementary schools.

POLICY REWRITE

Policy binders were handed out to board members and we will have our first reading at the next meeting on January 27, 2016. Director Losoya wondered if there could be a more efficient way to review the policies, possibly divvy up the sections. It was agreed that these sections, being mostly board policy, should be reviewed by all board members.

Work session was adjourned at 8:41 pm.
