ACTION ITEMS

Cathy Miller welcomed everyone to the meeting. “It is wonderful that all of the families were able to attend tonight to witness the new board members taking the oath of office as well as saying goodbye to those who are retiring from the board. Before we start our ceremony of administering the Oath of Office, I would like everyone to introduce themselves. The nice part of being a part of the school district is that we are all family. I believe it is important that families are honored and that they understand becoming a school board member is a huge commitment. Being a board member is a tremendous responsibility. Many people will tell you that the greatness of a school district is measured by its data, I would like to invite the board to understand that how the greatness of a school board prevails during the challenges that come up. I invite you to walk in others shoes to understand what they do every day because it will have a huge impact in your decision making. If you take that time, you will see there is greatness in this district and in this room. I am honored and privileged to have worked with all of you.”

Oath of Office

Cathy Miller administered the Oath of Office to AJ Losoya, Rick Bailey and Ron Munkres. Due to travel, Lisa Klemp was unable to attend tonight’s ceremony. AJ Losoya will administer the Oath of Office to Ms. Klemp on July 17th.
