1st Grade Supply Fund Donation Sheet

Due to parent feedback and the school's ability to purchase supplies at a reduced cost, our first grade classes have chosen not to require specific school supplies this year. Instead, we are asking for monetary contributions. Families have expressed that monetary donations are less expensive and time consuming than purchasing individual supplies.

The cost for supplies calculates out to \$25.00 for each student. If you are unable to contribute, your child will not go without supplies. If you are able to help in a larger amount, that would be greatly appreciated and would be used to support a student and family who are not able to contribute.

To pay your supply donation online: visit <https://payrsd.hdesd.org/lite>

To pay by cash or check: complete the form below and return to the office.
