

Kindergarten Supplies

1 large backpack or tote bag with name clearly marked (to be brought each day).

We have chosen not to request specific school supplies this year. Instead we are asking for monetary contributions. The cost of supplies calculates out to \$25.00 for each student. We are therefore asking for voluntary donations in that amount. If you are unable to contribute, your child will not go without supplies. If you are able to help in a larger amount, that would be greatly appreciated and would be used to support a student whose family are not able to contribute.
